

Support Glendale Prep while you shop

The Glendale Prep PO is committed to providing our teachers and administration with the little extras without asking any parent for financial donations. We will be keeping you updated on the merchant partnership opportunities that allow us to receive a percentage of the amount you spend on certain products or at various stores.

If you could simply take a look at the options below and cut out a Box Top here or register a credit card there, Glendale Prep will be rewarded with money to support classrooms, clubs and other activities. The Parent Organization thanks you!
