Lunch Program - Lori Soich

A group of parents will be sampling menu items from a catering company we are considering for next year. This will be in addition to the vendors we offer this year. Catered days will be Monday and Friday. The Church Kitchen is reserved each Wednesday so we will change Oggi's Pizza to Wednesday and serve from the outside of the counter. We will be introducing this new menu as a trial run for the month of May and ask that parents encourage their students to try it out and give their feedback. We will not be signing a contract and there will be no minimum order number required.

Teacher Appreciation week is May 3-7th. Several ideas were discussed as to what we would like to do. The committee will provide food each day breakfast or lunch. Ideas discussed for gestures from students to teachers and it was decided that each day there would be a specific item to be placed in a large bucket for the teachers to glean from. Students would each bring in one or two items from the following list.

Tuesday – A small office supply (paper clips, no odor dry erase markers, post it note pads, pens, pencils, tape, etc.)
